

March 2022

Dear Parents and Guardians

I am writing to you on the subject of fees for the 2022/23 Academic Year.

The Stowe Group Board of Governors has carefully considered the fees for the coming year, in the context of the continuing uncertain global, economic and financial climate. It will come as no surprise to you that the School is facing severe cost pressures from wage inflation (not just the increases in National Minimum Wage and the new Health Levy), utilities, food and material price increases across most areas of the School's operations. Investment in teaching, pupil accommodation and other facilities continues as we deliver the School's vision. We continue to manage our costs carefully in order to keep fee increases to a modest level, but that has proved challenging for next year.

I am therefore writing to advise that the Governors have agreed the following fees to take effect from the Autumn term 2022:

Boarding: £13,598 per term (£40,794 per annum).

Day in Boarding: £9,776 per term (£29,328 per annum).

Day in Day: £7,873 per term (£23,619 per annum) (after deducting the published 2022/23 introductory discount).

Many people have experienced high levels of distress and disruption over the last two years. Anthony and I are hugely appreciative of the support you have shown the School and recognise the uncertainty we are still facing. We are enormously grateful for your continued support.

I look forward to seeing you all in the summer on Speech Day.

With kind regards

Yours sincerely

Simon Creedy Smith BA, FCA  
Chair of Governors
