

Sixth Form Enrolment Form

INFORMATION

Applicants are required to achieve a minimum of Grade 6 in six subjects at GCSE/IGCSE, which are relevant to their proposed A Level choices. However, candidates intending to study A Level Maths, Sciences or Languages are required to achieve a minimum of Grade 7 at GCSE/IGCSE in the relevant subjects.

Overseas candidates not taking GCSE/IGCSE are required to achieve the equivalent standard in their final examinations. Where English is not a candidate's first language, UKiset results or a CAT4 GL Assessment is required and we will only proceed with applications where this has been provided.

The [Sixth Form Courses](#) booklet is a useful guide to the A Level courses available.
