

Anna McEvoy, House Custodian

Hi, I'm Anna McEvoy and I am the House Custodian. I've been working for SHPT since May 2005. I came as a newly funded post with a grant from the Heritage Lottery Fund and have been here ever since! For the last few years I have dealt purely with the historical research of Stowe House and to a lesser extent, Stowe School. This includes answering public inquiries, maintaining the 'Lost Treasures of Stowe' campaign, undertaking research for the current restoration projects, writing the archaeology reports for the State Rooms and looking after the archive. I still learn something new about Stowe every day!
