

## Replacement Qualification Certificates

Stowe does not hold copies of Examination Certificates. Original certificates are given to students directly or are sent to them via secure post following the publication of the results. For replacement certificates you will need to contact the relevant examination board.

You will be asked for your name, date of birth and the **STOWE SCHOOL CENTRE NUMBER: 52133**

Examination boards for each subject change on a regular basis and over time various boards have merged with one another. If you are unsure of the board with which you took your exam, you will have to call each one in turn.
