

Careers and Higher Education Update

Dear Stoics,

This month has been a busy month in the Careers Department. Mrs Guntner-Jones and I have enjoyed supporting many of you to explore university options, apprenticeships and career options.

Earlier this month we published a bumper edition of the careers newsletter with a Careers in Medicine supplement.

Here are some short articles we didn't have room for. Enjoy and please contact us if you would like some help.

Have a nice half term break

Regards,

Dr West

Head of Careers and Deputy Head of Sixth Form
