Undergraduate accommodation

How to find the right accommodation for you

Many course providers can reserve a place for you in their halls of residence, but it's important to do your research and think about what's important to you. Here are some key things you'll need to consider:

What Can You Do With a Performing Arts Degree?

If you studied performing arts, you might be dreaming of taking to the stage to perform for a living. However, the skills you've gained during your degree haven't just prepared you for roles in theater, film and music. Your skills will also be valuable in a range of other careers, especially if you're able to effectively combine creative talent with the practical aspects of self-promotion and arts management. Read on to find out where your Performing Arts Degree could take you...
